TO WHOM IT MAY CONCERN,

Mr. Tommy Complex was our sound/light technician during the presentation of my play "The Fishbowl" at TheaterForum Kreuzberg in Berlin, from Monday 23rd to Saturday 28th June 2025.

Mr. Complex is highly skilled, with deep knowledge in his field, excellent qualified and a kind person to work with. He undertakes tasks with responsibility, handles efficiently any matter that might occur, he is creative with ideas and suggestions.

Our performance, although in a foreign unknown theater, ran smoothly due to him.

I strongly recommend Mr. Tommy Complex not only for his qualification and passion for his work, but also for his kindness and willingness to cooperate.

Yours sincerely,  
Eugenia Daglas, Author and Playwright
